THE MANOR BARN BURTON

The ideal venue for any occasion...

This magnificent barn has been beautifully restored and is situated in one of the prettiest villages in Hampshire. It is easily accessible from London being close to the A3.

The Manor House is an elegant backdrop and the traditional English gardens are beautifully maintained and wonderful for photographs. The barn, whilst retaining its rural character, has been elegantly restored using top-quality traditional materials. The original doors are in place, and on a fine day, a champagne reception can be held on the lawns in front of the manor house.

Licensed for Civil Weddings
for up to 175 guests standing or 150 seated.

Up to 175 can be seated for dining. Larger numbers can be accommodated for a stand-up canapé reception.

The barn is adjacent to the parish church and it is possible that the bells may be ringing during the day.
